

Public access is crucial...oral history has long been a Native American tradition...I do a Native american public affairs program & also file native news that goes out publically on the airwaves, nation wide. So my Mother Connie & I are asking on behalf of many Native american listeners that, "We want rules in place that serve the public, rather than private, interest. We oppose taking a vote that leads to more media consolidation. On June 2nd, we urge you to retain the current ownership rules."

Thank you, Robin & Connie of NAMAPA (Native American Media, activism, performance, and Art...Metate radio/KZYX & Z...Independant Native news...and The California Indian Radio Project.
